INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, the closer we get to Christmas, the less merry I feel. Instead of dreaming about eggnog and mistletoe, I think, Oh, no! Did I get our readers everything they asked for this year? And I panic!

Let's look at 2014. I gave you two girls with glasses and three babes with braces. Eleven cuties with D cups and 19 with A cups. I found 30 rare bushes and 41 pairs of puffy nips. Our pages were filled with redheads, black girls, Asian girls, Latin girls. Three lezzie layouts. Seventeen fingers in pussies. Twenty panty giveaway contests. One hundred thirty-seven of the hottest young girls on the face of the earth. And that's it! :(

You guys have been *so* naughty—I want to give you everything your hearts and dicks desire. Did I at least come close? Please tell me!

And don't forget to send me your wish lists for 2015. ;)

xxx Lindsey

ANNIVERSARY 2014 PANTY CONTEST WINNERS!

C.V. and W.S., your letters just landed you on our nice 'n' naughty list. Have fun playing with Addyson and Nikki's undies!

Dear BARELY LEGAL,
I usually don't enter these kinds of contests, but when I saw the photo spread of Addyson Chandler, I knew I just had to try. Let me start by saying that I was overcome by her from the first page of her spread. Her piercing eyes, her gorgeous smile, and of course her perfect ass. She's the perfect combination of sexy and cute!

Should I win Addyson's panties, the first thing I'm gonna do is feel them. The soft fabric on my fingertips. Touching the same place where her perfect ass was against them. Next I would find the sweet spot where the crotch actually felt her perfect, tight pussy. I'd put it against my face, gently lick it with my tongue, hoping to catch a taste of what was left behind, and take a big sniff of her pussy. I'd let my mind wander…

I'm imagining a quiet night in. We're snuggled together on the sofa watching a DVD. I slide my hand under her soft, white cotton tank top and gently rub her warm stomach. I pull her in tight. Her sweet perfume tickles the inside of my nose. She pushes her ass against my dick, instantly making it hard. I gently kiss her neck and slip my hand down her midriff and into her short pink denim skirt. She pushes against me harder. My other hand goes up her shirt and squeezes her soft and supple breast. I feel like I'm about to explode!

I kiss her neck again, until she turns over to face me. I kiss her on the lips this time, and then the neck, at the same time removing her top. I kiss her shoulder blade, her cleavage, her right boob, while squeezing the left. I lick the part of her chest that's right in between her tits, and keep kissing her farther and farther down. Now I'm undoing the button on her skirt and sliding it off her. I kiss her pussy through her sexy white panties. I can feel her already getting wet. I slowly slide them down to her ankles, where she kicks them off. She removes my pants. My underwear can't contain me. My hard, thick cock slaps against her wet pussy. She moans with delight!

I can't help it, I need to be inside her, so I finally stick it in. It feels so good. I pump harder and harder with each thrust. I'm not sure how long I'll last! I could blow at any second, but I keep going. Finally I can feel myself swelling up even more.

I guess she can feel it, too, because she pulls my cock out of her and sits up. She sucks my cock until—BOOM!! I come in her mouth. She gulps it down, looks up, and smiles: "I'm glad we decided to stay in tonight."

So there you go. That's what I would do with Addyson's panties if I were to win them. Thank you for your consideration.

C.V.
Alberta, Canada

Nikki:
It might just be me, but when I looked at the Anniversary 2014 issue cover and saw ITTY-BITTY BOOBIES under your headshot, I was thinking you were going to be about an AA cup at the

most. Once I found your pictorial, though, my dick suddenly told me that it thought your B-sized tits were a size that matches your body frame perfectly!

So what if you have smaller tits than other girls? My dick isn't big, but I can assure you if you were to give me what I bet is a fantastic blowjob, I would shoot a load down your throat. I bet I could get milk to come out of your "itty bitty boobies" by sucking on them.

You have such a sweet, innocent smile that doesn't distract from your face at all. Some girls like to show too many teeth when they smile, in my opinion.

I also like how you are one of these that get completely nude throughout most of their pictorial. A turn-off for me are these that insist on keeping socks, shoes, or some type of clothing on to prevent them from being completely nude, even though they are in a nude magazine!

If I win your panties, I would use them around my dick as I looked at the pictorial of your gorgeous tits, such perfect eyes and complexion, your body from head to toe that makes me hard, and your delectable lips that I could just imagine kissing or putting my dick between. I would say my favorite picture of you is on pages 76-77 as you even show how great of an asshole you have, worth licking or fucking, alongside of course that great pussy!

If you do pose again—and I sure hope you do, or better yet, show how great you are with dicks and pussies in the world of porn—I hope you grow your bush out. I know girls like to shave it now, but with your natural hair color being so pretty, it would be captivating to see a great bush of that color!

W.S.
South Carolina

P.S. Your panty color is all but my favorite shade of any color out there! It must be fate that I win them!

Dear Ashlynn Taylor,
You just keep on smiling, girl, no matter what, okay? Don't waste your time on what others might say. To me a chick with braces giving BJs is so cute and adorable! And besides, you've got such a magnificently petite bod and pussy. Any man would be all too happy to climb aboard! Truly! So keep it up, girl—you're a ray of sunshine.

K.S.
Texas

Thank you, K.S.! You can't see me, but I'm beaming right now.
—xxx Ashlynn

Dear Lindsey,
How about you pose for a photo-shoot? I think I speak for many guys out there who wish to see you in the next issue. I always turn to your photo first, every single issue. You are the most beautiful and sexy thing I have seen in any issue so far. How about it?

D.J.M.
Pennsylvania

D.J.M., unfortunately I won't be posing again—but you will see me in a photo-shoot next month, in the January 2015 issue. I'm going to be the BARELY LEGAL Classic! I hope you like it.
BTW, it was Stacy the intern's idea. I'm shy. ;) ***—Lindsey***

ANNA MORNA

work of art

Hey, gang! It's Stacy the intern. Porn starlet Anna is almost too beautiful to be real!

Anna, you are so tall and gorgeous, you could be a supermodel or a movie star.
Thank you! Actually, I did just shoot a scene for the *Entourage* movie. I'm topless in it.
Are you going to leave porn for the mainstream?
No, I honestly love my job.
What do you love most about it?
The freedom. It's liberating to have sex on camera.

PHOTOGRAPHY BY DIGITALDESIRE.COM

AGE: 22
HEIGHT: 5-10
WEIGHT: 145 POUNDS
MEASUREMENTS: 34A-27-34
HOMETOWN: TULSA, OKLA.

Is there anything you don't like about it?
I don't love shooting scenes with girls who are gay for pay. I want the sex to be real. The fans can tell if it's just acting.
You never have to act?
No, I think girls are hot. The fans can see that I'm turned on.
What's the best compliment you've ever received from a fan?
There are a couple of guys who make sketches of me. If someone takes the time to draw you...that's such an honor.
What do you do when you're not working?
I watch movies, cook, listen to music... Relax.
What's your favorite movie?
The Sweetest Thing. I LOVE Cameron Diaz. *Mee-ow!*
What are your best dishes?
Honey chipotle chicken and any kind of cookie.
What's your favorite music?
Metal! I'm actually learning how to play guitar. I want to make a lot of noise.
So many talents! Are you *sure* you're going to stay in porn?
Of course! Can you think of another job that actually makes your pussy wet?
***Think* of it? I'm doing it!** ★

ADRIANNA LYNN

queen of new york

Hey, it's Lindsey. Porn starlet Adrianna is just like New York—alive, electric, and a little bit terrifying.

Hey, Adrianna! How would you describe yourself?
Lone wolf. Outlaw. Misfit. Queen!
Queen of what?
Of my own mad tea party, New York City.
I thought you lived in Florida now.
Yeah, but I am getting the fuck out as soon as possible.
Why don't you like Florida?
Where do I begin? First of all, the people are too fucking slow. Then there's the bugs. They are fucking *huge*—bigger than rats. That reminds me, did I tell you about my hamster?
No, you...
I got this hamster and I thought he had a really huge butt, but it turned out it was his *balls*. LOL! I have a porn hamster.
Let's talk about *human* porn—what's your favorite thing about making movies?
Cock. I love taking a big dick and sucking it so far down my throat it comes out my asshole.
Oh, my! Do you like anything to go *in* your asshole?
Sure, I've tried anal. How could I *not*, with an ass like this! Hey, did you see *The Wolf of Wall Street*?
No, I...
It is so fucking long. *Twice* I tried to watch it. Could not do it.
Huh! So, what's your favorite way to fuck?
Hard and fast, and the bigger the dick, the better.
But you're so little!
Yeah, well, New York's a little island, but it's the most exciting city in the world. And I've got New York blood pumpin' through my veins.
Along with *four* cups of coffee. Meanwhile, I need a nap.
Nap all ya want. Me, I'm livin'. I'll sleep when I'm dead! ★

"In social settings I'm the life of the party," declares 20-year-old exotic dancer **Natalie Summers**. "In private settings I *am* the party." We'll say! This 5-1 nymphette from Chico, California, once had "an all-night kinky threesome with me, a guy, and another girl. It involved a lot of toys and a lot of tongue fun." Nubile Natalie has many fine attributes: "I can squirt, I like porn, and I have a fetish for men without boundaries." She's even open to anal, although "it depends on the person." In her spare time, this former high school cheerleader enjoys shopping, traveling, and listening to Drake—"he is just so real in his music." She also loves trying new things, and at the top of her fantasy list is "double penetration or a bondage thing." But for Christmas, her wish is quite simple: to "have some really amazing sex." MONICA
waiting
fur you

Hey! It's me again, Abby the intern. Perfume salesgirl Monica is back—and she's hairier than ever!

Welcome back, Monica! Thanks for making our fur fans happy.

They make *me* happy. I did the dumbest thing right after my first time here (February 2014)—I shaved my bush off!

Why did you do that?

For a guy, of course. (*Sighs.*) Why do guys like pussies to be totally bald?

It can be sexy. I mean, *my* pussy is bald, and I love it.

Well, I didn't love *mine* bald. I stopped shaving after a few weeks.

Was the guy okay with that?

No. :(I'm currently single.

I'm sorry.

It's okay. I learned you should never be with someone who tries to change you.

Is your bush actually bigger than before?

It *does* take longer to brush. LOL!

What is your ideal guy like—besides being a fur fan?

He's very respectful and gentlemanly in public, and in private he's bossy and kinky.

What kind of kinky things do you like?

Spanking, hair pulling. My *favorite* thing is when a guy holds my head while I'm sucking his cock, and I can't stop sucking until he lets go.

What turns you on the most?

When someone licks my butthole.

Have you done anal all the way?

Yes, it's so incredible! My ex *loved* doing me in my ass. He made me wax down there. :(

But I see you let that hair grow back, too.

Yes. I like it, and I know there's someone out there who will like it, too. I just have to wait for them. *

MY FIRST TIME
WITH AN OLDER GUY

A BARELY LEGAL CONFESSION
BY RILEY CONNOR

Hey, it's Lindsey. *Recent high school grad Riley went looking for a job—and instead found a life-changing experience.*

I've been having a lot of sex lately. If you count up all the orgasms, it's kind of a scary high number, but all those orgasms have only been with two people.

Those two people don't know about each other. I've only been doing it with them both, actually, because I can't decide which one I want to be exclusive with. I mean, do I want a boyfriend, or do I want a girlfriend?

I found my answer.

We met down at a local coffee shop, along with half a dozen college graduates, when we were all applying for

the same barista trainee job. My future first older man and I stood out from the young-adult job candidates: me because I only finished high school this past summer and him because, well, because he was like 40 years old.

I noticed him right off. He had red hair and these shiny blue eyes and tight lips that looked like they could clamp down and peel all the lipstick off your mouth. Plus, he was wearing a suit—but it wasn't the kind of suit that made him look like a dad. It made him look gangster, even if he was filling out the same job application on the same clipboard as I was.

What really made him different from the college kids is the way he stared at me. He was totally casual about just openly roaming all over my body. I thought that was a little forward, so I caught his eye and tried to make him blink. He wouldn't look away, and I sort of melted a little bit inside, down below.

After we handed in our applications, there was a waiting period while the coffee shop's lead barista decided which ones of us he wanted to interview. I was pretty confident I'd be interviewing. I mean, picture me! I wasn't just the youngest girl there, I was the cutest, too, and that's not just me being stuck on myself. The redheaded man in the suit obviously saw something in me. Even when I pretended to be interested in my phone, I still felt his eyes pulling my T-shirt over my head, yanking open my jeans, and sliding in under the elastic of my panties.

The lead barista stuck his head out from the Employees Only door and called out, "Connor! Over here, please."

I'd been expecting that, so I jumped up. What I didn't expect is that the redheaded staring man would step up, too. We stood inches from each other, chest-to-chest, at the Employees Only door, and my nipples popped. I swear! If we'd been naked, they might have reached out far enough to touch him.

"I'm Connor," he said.

But I'm Connor, too. It's just that Connor is his first name, and it's my last name.

Anyway, all through my interview with the lead barista, my mind kept wandering to how I had smelled Connor's body when he stood there so close to me and the way his eyes sort of made fun of me and demanded to touch my pussy at the same time and the distinct impression I had that I'd seen movement down at the crotch of his suit slacks.

He was waiting for me when I came outside, with the job.

"It looks like one of us owes the other one a drink," said Connor. "We can take my car."

There was a big black Chevy at the edge of the parking lot, like what undercover cops drive. I knew right away it was Connor's. The funny thing about that car is that we both went straight for the backseat.

I like to start off with kissing, and that's what we did.

"You're a nice girl," Connor said, easing me back onto the seat cushions and pressing the weight of his body along mine. "I can tell."

I clamped my tight-O lips around Connor's tongue and slid back and forth on it while he shoved it as deep as he could into me. I felt like I was delivering a blowjob to his mouth. His jealous cock pulsed in my palm and jerked up and down.

I squirmed out from under Connor, and he helped me slide his slacks and underwear down below his knees. Out in the light of day, his penis—the palest white thing I'd ever seen—stood straight up from a wispy fringe of carrot-colored pubic hair.

I flicked my tongue across the very tip. "I don't know if I should," I said, but I was teasing. I'd tasted a bead of clear pre-

Our lips met tenderly, exploring, testing each other out, moistening one another. It was so cool the way I felt his mouth loosen up at the same time as I felt his cock go hard and tight where the crotch of my pants pressed into the fly of his slacks.

My hand snaked down to unbuckle his belt and lower his zipper, and our tongues shot out from hiding. I turned my mouth into a tight O just as my fingers clasped around his dick. It was a big one—not scary big, but something I was definitely going to feel deeply. How can skin be so soft and smooth, and at the same time be wrapped around something so hard and alive? Every time I touch a new cock, it amazes me all over again!

cum, and I'm like a vampire after a drop of blood with that. The cock was mine.

I started with the head. First, I sealed my lips just beneath the ridge up at the top of his dick. Next, I pulled my lips back up over the head of Connor's cock and gave a tiny nibble to the hole at the tip. Then I slid my lips, gripped as tight as they could, down over the helmet. The dickhead popped into my tight-O lips. I pulled them back ever so slowly again, then I sucked deeper, and my tongue went to work, swirling around the cock ridge. Connor was a man of experience, I'm sure, but he moaned like he'd never felt anything quite this good.

That moan was my sign to plunge. I slammed my face down toward Connor's carrot-red pubic fringe. His cock shoved through my mouth and into my throat. I pressed that throbbing thing back deep past where my tonsils used to be and ground my face down toward his clenched balls.

I may be young, and I *am* a nice girl like Connor said, but I don't gag. I can inhale an entire cock and just set down with it burrowed into my throat for like ten minutes at a time. Guys, I've noticed, go crazy for this. So do I. I completely lose sense of time and where I am.

Eventually, I came up for air.

He did this stirring thing inside me, like he was using his penis to make pudding out of my pussy juices. And while he did the "whipping the cream" movements with his cock, he lifted my ass and twisted his hips so my pussy swayed in an impaled arc from side to side and my clit was squeezed and pushed and rubbed up against the soft, hot, smooth skin at the root of his cock.

All of Connor's movements were sort of—*orchestrated* might be the word, orchestrated so the plunging and stirring and clit rubbing were all completely in rhythm with the beats of my pussy as I tossed it up at him.

Connor and I both had tears in our eyes, tears of release, and we'd both become naked since the last time I'd noticed. The parking lot, the coffee shop, the new job—all that was somewhere outside the car. The only thing that mattered inside the backseat was my legs spreading to lock Connor's swiveling hips between my thighs.

The way I suck cock makes my pussy flood for some reason. So Connor's dick slid into my cooch without a catch. Maybe he'd been expecting some resistance? The bone at the base of his cock bumped the bone on top of my pussy hard enough that it might leave a bruise, but after that first knock, Connor was careful not to slam in a painful way.

Obviously, I came first. And second. When I had my third come, Connor pulled out and spit his wad all across my little tight boobs.

He collapsed back against an armrest, but caught his breath pretty fast for being 40.

"My name's Riley," I said.

"Great name," Connor said, "but I've got an interview over at Subway in 15 minutes, and I'm feeling very lucky right now."

Well, I can dress pretty quick. I wished him luck, and I stepped out of the car with a new perspective.

I don't want a boyfriend *or* a girlfriend. The time has come for me to go out and find a *man* of my own. *

NICOLE
RIDER
love my
body

Hey, it's Lindsey. Model/dancer Nicole says we should all love our bodies, no matter what they look like. Hers is pretty easy to love!

Hey, Nicole! You have an *amazing* body. Do you go to the gym a lot?
I do, and of course dancing keeps me in shape. But it's important to eat right, too. You have to take care of your body. It's the only place you have to live!

Tell me how to eat right.
Eat lots of fruits and vegetables, whole grains, *lean* meats and fish—and allow yourself the occasional bowl of mac 'n' cheese, or else you'll go crazy. :)

What do you think is your best physical feature?
I love my boobies—they're big, but they stay up without a bra. To quote Nicki Minaj, bras are the devil!

What turns you on the most?
When a guy lets you keep his sweatshirt that you borrowed. Especially if it smells like him. :)

What do you look for in a guy?
Dorkiness. I'd rather be with someone who's a dork and treats me like a queen than a super hot guy who's a player and flirts with every girl he meets.

How can a guy pick you up?
With intelligent conversation.

What's your favorite first date?
Go play pool.

What's your favorite way to fuck?
When the guy takes charge. I love to give up control of my body. Do whatever you want with it—I can take it!

Do you like anal?
I *love* anal. It's mind-and-body-melting.

Where do you like guys to come?
On my face. And hopefully some of it drips into my mouth. ;)

Any final words?
Remember: It's okay to have big thighs or thigh gaps, big boobs or small boobs, a big butt or a flat one. Love yourself! ★

When we last saw Natasha, she and her best friend were playing at being smut starlets (*Gigi and Natasha: Porn Innocent*, January 2002).

"Now I'm totally dyke-damaged!" wails the 18-year-old pixie. "The problem is, I'm too good at eating pussy. All I had to do was brush my lips against Gigi's clitty, and it would swell up. When I fucked her hole with my tongue, she would buck and jerk like she was having a spazz attack, then she'd cream all over my face. This would take only about two minutes—I'm not exaggerating.

"So I didn't think much about how I sucked cock. I always ended up with a snootful of splooge. That's like a guy giving you a gold star, I figured. Then Corey Burton told me, no, 18-year-old boys come just thinking about blowjobs, and actually I give boring head. He said they should call what I give a ho-hummer.

"It was totally mortifying! I've never been bad at anything in my life! I think my mistake was treating cocks like jumbo clits. Like maybe I was being a little too nice and gentle. But I can't know for sure unless somebody tells me. If only I could find an older guy willing to help me. I want to be good at sucking." ★
